

# HAWGSTOCK

## 2nd Annual "Ride for Pink"

### Bikers for Burgers

Winterset, Iowa May 1st, 2010

Benefit Ride with the Proceeds going to the Breast Cancer Network of Strength

The idea behind this ride is to raise funds and awareness for breast cancer causes. We are going to gather at the Hawgstock grounds with a bunch of riders, ride and see some of the nice central Iowa country, meet back up after the ride at Hawgstock,

have some burgers, listen to some music and campout if you wish. Ride proceeds go to the Breast Cancer Network of Strength.

[www.networkofstrength.org](http://www.networkofstrength.org)

PRE-REGISTER on the web at:

[www.hawgstock.com](http://www.hawgstock.com)

### Free Will Donation: \$25

The per person donation includes a Ride for Pink Tee, camping, door prizes, burger feed, and entertainment after the ride.

Proceeds from the ride go to charity.

#### **Bikers for Burgers Ride**

A lot of bikers like burgers and riding, so we thought we would mix the two. We are going to have a "Build a Burger" ride.

The idea is to stop at the listed sites and get a sticker at each location. Keep those and bring them back to the Hawgstock grounds and cash in your burger stickers for a real burger. The plan is to gather at the Hawgstock grounds at 2497 225<sup>th</sup> Trail,

Winterset. You and your group can then hit all five spots to gather your stickers and enjoy the ride. The route is about 170 miles at the shortest. Choose what direction and order you wish and just have fun. The last bike out by 11 am, last bike in by 6 pm.
